## AGENDA:

**8:00AM - 8:30AM**

Registration and Breakfast

**8:30AM - 10:30AM**

Keynote Speaker

> **The Integrity of Information: Why Accuracy Matters.**

- Examples of cases involving ethical lapses that led to crimes, such as prosecution of former Detroit Mayor Kwame Kilpatrick for corruption and former oncologist Farid Fata for health care fraud.
- The importance of compliance policies and training.
- The ethics violations of disinformation.

— *Barbara McQuade, Law Professor, University of Michigan Law School and Author.*

*Barbara's new book "Attack from Within: How Disinformation is Sabotaging America," is #3 on the New York Times bestseller list!*

> **Changes to the AICPA's Statements of Standards for Tax Services.**

- Including new additions, modifications of existing standards, and comparisons to Circular 230.
- *Brett Bissonnette, Plante Moran National Tax Office.*

*Brett is the Assistant General Counsel for Tax Matters and is the leader of the Firm's Tax Controversy practice.*
